STRICT ACTION AGAINST FAKE PACKAGED DRINKING WATER BOTTLE BY CENTRE

SUMMARY:

In Delhi, Bureau of Indian Standards (BIS) receives complaints regarding quality of BIS Standard marked Packaged Natural Mineral water and Packaged Drinking Water as per IS 13428 and IS 14543 respectively. The Delhi govt. has started taking strict action against the fake Packaged Drinking Water Bottle as it will be detrimental for human health.

There are some standards for Packaged Drinking Water under sub-regulations 2.10.7 and 2.10.8 of Food Safety and Standards (Food Products and Food Additives) Regulations, 2011 respectively and these standards are compulsory for manufacturers of Packaged Water. The certification of Bureau of Indian Standards (BIS) is mandatory for Packaged Drinking Water.
